The high school girls will give a good time social in the assembly room of the school tomorrow evening to which the public is cordially invited. There will be a musical program, a candy table will be presided over by the most charming girl of the school and altogether there will be a rousing good time afforded to those who enjoy that kind of a good time. The social is to be given for the benefit of the high school, so the small sum of 10 cents will be collected from those who attend.

An adjourned meeting of the Push Club was held yesterday afternoon. The resignation of Secretary Lyman was read and accepted, and J. A. Eakin was elected in his stead. Mr. Lyman had been the club's secretary for the past six years and his resignation was a matter of regret to members generally. He is now busily engaged in arranging the Oregon educational exhibit for the St. Louis fair and will be absent from the city so much of the time that he feels that he can not properly attend to the work. The secretary was instructed to find a hall in which regular meetings could be held, it being the object of the club to continue its former sessions. Steps were also taken by the club to pay the balance of the obligation assumed at the time of the location here of the Universal sash and door factory.

DOESN'T RESPECT OLD AGE.

It's shameful when youth fails to show proper respect to old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age, Dyspepsia, Jaundice, Fever, Constipation and all yield to this perfect pill. 25c at Chas. Rogers' drug Store.

HON. FRANK DAVEY IN CITY

Working in Interest of Order of Lions.

Hon. Frank Davey, representative from Marion county, was in the city yesterday from Portland where he is temporarily residing. Mr. Davey is chief assistant to the supreme president of the order of Lions and his business in Astoria was to rebuild the organization that has been allowed to go by the board. "The order of Lions is strictly an Oregon institution and its principal strength is in this state, Washington and California," said Mr. Davey. "There was once a strong lodge in this city, but its light was allowed to flicker out. There are quite a number of Astorians belonging to the order and it will not require much work to build up the organization here again. We are now paying two death benefits in the city."

In the event of an extra session of the legislature being held, there will be no special election in Marion county, according to Mr. Davey's statements. It has been suggested that, inasmuch as Mr. Davey is residing in Portland, his seat in the house as a representative from Marion county would be vacant, but Mr. Davey's explanation of his position is, briefly, that he is not a resident of Portland; that his home and property interests are in Salem, and that in case the legislature should meet he would take his seat and represent his Marion county constituents. "My friends and neighbors want me to hold my seat; it will save my county the cost of a special election, and there is certainly no reason why I should not, or ought not attend the legislature should the session be called."

Mr. Davey returned to Portland on the night train. He expects to be in Astoria again in the near future, and will remain a week in the interests of his lodge.

MOODY FOUND NOT GUILTY

Judge Bellinger Orders Case Dismissed at Portland.

Portland, Nov. 18.—Hon. Malcolm A. Moody, who has been on trial before the United States court on a charge of embezzling a letter from the United States postoffice belonging to Mrs. Margaret L. Conroy, was acquitted and exonerated this afternoon. Before hearing of the case was completed Judge Bellinger ordered that a verdict of acquittal be returned.

Previous to ordering the case dropped the court took occasion to pick to pieces the chain of evidence that the prosecution had attempted to prove "by inference," and stated that no evidence had been brought out to show that there was any illegal design back of any act Moody had performed relative to the transaction involved.

THIEVES APPEAR FASHIONABLE

Ply Nefarious Trade by a Time Worn Ruse.

Chicago, Nov. 18.—A fashionably dressed young couple, the woman wearing furs and jewelry, the man of refined appearance, have stolen jewelry and diamonds valued at \$1800 from the residence of Mrs. Katherine Smith. The young couple appeared at the house and asked if they could rent apartments there for the winter. After some conversation, Mrs. Smith took them to the second floor to show them some rooms. The first rooms not proving satisfactory, Mrs. Smith led her callers to the rear of the house. It was then the police believe that the man slipped away and entered Mrs. Smith's room. Returning to the parlor, the rooms were soon engaged and the young couple departed, promising to return. A few minutes later, Mrs. Smith went to her room and discovered the loss of her jewels. There is no clew.

NOT A SICK DAY SINCE.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C. writes. Only 50c at Chas. Rogers' drugstore.

GUATEMALA COMMENDS US

United States Within Rights in Recognizing New Republic.

New York, Nov. 18.—In response to a request for the attitude of the government of Guatemala toward the new Republic of Panama, President Cabrera has cabled the Herald as follows: "In Guatemala, the recognition of the Republic of Panama as a nation by the United States is regarded as a matter wholly within its rights. In Guatemala, we have respected, Guatemala, however, up to the present time has received no information or communication from the people of Panama or Colombia other than such as is contained in the public press."
